Your 'I do' Begins Here...

Moon Shadow Haven is an inviting and magical escape with its breathtaking views in the desirable Texas hill country. Spend any time along Johnson Creek's sparkling waters and you feel it — the magic, the mystical serenity and sounds of rippling waters framed by tree-lined bluffs reflecting centuries of unspoiled wilderness. This native refuge evokes romance naturally. For over 100 years, families have lived and loved at this historic site.

The property itself boasts 17 acres of the most gorgeous rolling hills overlooking 1700 feet of frontage along the ever so popular Johnson Creek. The mature trees throughout the property seem to have been perfectly placed to encourage a slight breeze that visits religiously every evening. Part of our charm is that you don't have to leave if you don't want to. The on-site accommodations can lodge up to 24 guests to celebrate with you multiple nights.

On your wedding day, the entire property belongs to you. Get ready in our luxury bridal and groom suites. Say your vows in our newly built chapel or hold an outdoor wedding under a towering canopy of trees. Dine in our elegant lodge-inspired venue, enjoy cocktails on the patio, then unwind overnight at one of our cabins.

We are here to bring your visions to reality. All you need to do is soak up the atmosphere and create some memories.
